

판매자 가입 절차 - 이메일 인증

The screenshot shows the 'Wish 판매자용' (Wish Merchant) onboarding interface. The main heading is '스토어 설정 마무리하기' (Finish Store Setup). A red circle with the number '6' highlights the '연락처 정보 추가' (Add Contact Information) step, which includes a sub-section for '이메일 주소를 확인하십시오.' (Verify your email address). Below this, there are sections for '계정 관리자' (Account Manager) with contact info for Korea General Support, 'Wish 판매자 정책' (Wish Merchant Policy), '더 많은 노출 얻기' (Get more exposure) with a bar chart icon, and '전 세계로 배송' (Ship worldwide) with a globe icon. A sidebar on the left lists various onboarding tasks like '제품 추가' (Add products) and '배송 설정 업데이트' (Update shipping settings).
